# DRY RUBS

## DIRTY RUB

Our signature Dry-Rub. Perfect balance between the competing flavors of salt, zest, and sweetness

## C.R.A.C.

Caution. Really. Addictive. Chicken. An intense blend of zest, salt, lemon with a hint of garlic on the back end

## GARLIC PARMESAN

A blend of fresh grated, high quality Parmesan cheese and garlic, folded into piping hot wings

## LEMON PEPPER

Real hit of lemon with strong notes of pepper that stays on the palate

## LEMONADE

Perfectly balanced between the sweet lemonade with a slightly sour base. New flavor, but already a best seller!

## RANCH (DRY RUB)

Every thought of sprinkling ranch on food, we did! Lots of science involved. We could tell you how we did it but....

## SPICY GARLIC

A crowd favorite. Fresh garlic & heat, with a sweet and long lasting back end

## TURNER

A perfect balance between buffalo hot and ranch

# WET SAUCES

## HONEY GOLD

A rich & buttery BBQ sauce with a hint of mustard

## MILD

Little Heat, rich and creamy

## HOT

Real Heat, but not overpowering, rich & creamy with a fuller body than the mild

## EXTRA HOT

Lots of Heat, but also lots of rich & buttery flavor

## SPICY BBQ

Full bodied & rich with notes of pepper, honey, salt, vinegar, apple, and sugar.

## SWEET & TANGY

Rich oriental base flavor, lemon, pepper, and sweet

## TERIYAKI

Oriental base with sweet notes to balance heavy salt

## GIZZARD

Cult-favorite. Tossed in our Dirty Rub base and then covered in fresh cut onions and pickles, then drizzled lightly in ketchup & mustard
